## Musicplay Interactive Curriculum

by Denise Gagne

**MUSICPLAY Interactive Curriculum Kits**  
Denise Gagne's award-winning music curriculum for K-6 now offers separate digital resources for Smartboard and other interactive white boards or for computer and projector. Introduce musical concepts through songs and games in sequential lessons that follow the calendar year. Weekly Lessons present singing games to reinforce new concepts, introduce world cultures, and provide special holiday and other performance songs. Teacher's Guides include the lessons, plans, and songs and 4-6 full-length CDs with listening selections and performance/accomp. tracks for the songs and games. The flexible White Board formats and music listening and performance CDs make concepts and songs easy to teach in a way that appeals to both visual and aural learners, with increased focus from all. Each song is shown in 3 formats: PowerPoint, Smartboard files, and QuickTime movies.
