Add color & choreography to musical performances!

BodySox™

Discovery is in the bag! Once inside, discover a private domain that begs for kinesthetic exploration. Shapes freely flow in undulating rhythms of visual music, and morph into kaleidoscopic patterns or freeze into fascinating sculptures. Through the translucent Lycra you can see the movement and shapes being created around you. As you silently explore the fluid 3-dimensional space around you, both the imagination and body are stretched by infinite possibilities of transformation through movement, balance, and coordination. Kids and adults alike love BodySox. Choreograph your own BodySox ballet! Washable, stretchy 4-way Lycra, with a reinforced velcro closure. Select sizes by the user heights. Colors vary. Activity sheet included.
